

Thank you for joining us for our second official “Off the Couch” event for the Couch Potato Car Show Series presented by the NM Motor Sports Report. The Couch Potato Car Show Series is a Facebook LIVE presentation of great vehicles, prizes and interactive fun celebrating the passion of automotive ownership and competition. No vehicle is too beautiful or too ugly because it is the passion that we share. CouchPotatoCarShow.com.

The event starts with picking up your scorecards and first playing card at Cars & Coffee at 10am Saturday October 10, 2020. The final playing card pick up starts at Noon at Chill Zone (4320 Ridgecrest Dr SE, Rio Rancho 87124 which is north of Southern by Albertsons). Chill Zone will be offering a 10% discount on frozen yogurt. Please support your local businesses!

50/50 tickets will be available at every stop. They are \$1 each or stretch out your arms (wingspan) fingertip to fingertip for \$20. The 50/50 drawing will be on Facebook LIVE immediately following the announcement of the Poker Run winners.

Stops 2, 3 & 4 can be done in any order from 10 – 11:30. Masks are required for this event and we have the first 50 individuals “covered” with an official event mask provided by Yearwood Performance and the Couch Potato Car Show Series.

Stop #2: Glazed Factory Donuts (7451 Pan American Fwy NE, 87109). There will be a tent hosted by Elizabeth O’Daly, sponsored by Legacy Mortgage & Swope Real Estate, where you can pick up your playing cards. If you don’t have enough space for all your “toys,” maybe they can help you find your next multiple car garage with a house attached!

Stop #3: Hosted by Yearwood Performance (341 Eubank NE, 87123). Your next playing card will be available in the store. Bring your scorecard in with you and enjoy the store and all the “eye candy.” This is the perfect opportunity to purchase a Yearwood Performance hoodie, it will eventually get cold again. Yearwood stickers and the latest copy of the NM Motor Sports Report Magazine are on the counter.

Stop #4: Hosted by the Unser Racing Museum (1776 Montano NW, 87107). There will be a tent there representing the New Mexico Runners, Rio might even make an appearance! The Runners provide the best entertainment value with high energy and exciting indoor soccer at the Rio Rancho Event Center (formerly the Santa Ana Star Center). COVID-19 has interrupted their 2020-2021 schedule but not their community spirit!

The way the Poker Run is going to work is that at each stop you will present your scorecard to the attendant who will mark which playing card you draw on the scorecard. You will keep all the playing cards and the scorecard. At the 5th and final stop, you will draw your final playing card and turn in the other 4 playing cards and your scorecard to the attendant.

You can start at any stop and don’t have to go to every stop, but the final stop will have to be at the Chill Zone. At the Chill Zone, you can draw 1-5 cards depending on how many stops you go

to. The Chill Zone opens at Noon. The benefit of starting at Cars & Coffee is that you will get a complementary mask, while supplies last.

The winners for High Hand and Low Hand will be announced on Facebook LIVE at about 1pm. If there are any ties, an additional two cards will be drawn and recorded in order with high card for High Hand and low card for Low Hand on the scorecard. In the rare event that you draw a card that is already on your scorecard, you will draw another.

One final bit of fun and a major bit of fun for some lucky winner is our raffle for a 1952 Ford Mainline. The vehicle will be at Cars & Coffee and at Chill Zone for your viewing pleasure. This restoration project is mostly complete but as you all know, it's never really done. Only 1,000 raffle tickets will be sold, and the drawing will happen LIVE on Facebook during an upcoming Couch Potato Car Show. Tickets for this unique flathead V8 with 3 on the Tree are only \$25 each. The ticket count will be updated at CouchPotatoCarShow.com. This raffle will probably not make it to 2021!
